

SKIDADDLERS SKI CLUB

Route 302, Bartlett, NH 603-374-9285

The Skidaddlers Ski and Sports Club provides comfortable but modest accommodations. Bedrooms are dormitory style and each sleeping room has 4 or 5 bunks. Most nights we do not have to assign top bunks but on rare but busy weekends you may have to sleep on a top bunk. If you have any physical conditions that would prevent getting in and out of a top bunk, please let us know.

Our twelve sleeping rooms are all located on the second floor of the Skidaddlers lodge and are divided into two sides. Female rooms are to the right and male rooms are to the left of the top of the stairs. We do have special accommodations for couples that may be reserved and are available on a first come first serve basis. Both the male and female sections have full bathrooms with showers. Two bathrooms are also located on the main floor of the lodge. Since our bedrooms are cozy and our bathrooms can be crowded, we built a dedicated vanity room. Since rooms are to be shared, please try to keep your belongings under your bunk or on empty beds to keep walkways clear.

To be our guest, you will have to sign a simple guest release. This waiver uses the same language and is very similar to those required by the ski resorts. You can review and sign the waiver before your visit.

We have developed the following checklist to help first time guests plan their visits.

BEDDING

We suggest a sleeping bag or warm blanket. Bunks do have a top sheet.

PILLOWS

TOILETRIES

Don't forget personal items such as shampoo, soap, toothpaste, toothbrush, razors, etc...

TOWELS

FOOD AND DRINKS

Bring snacks and/or full meals. Our kitchen is yours for the weekend but label what you don't want to share.

CALLING CARD

We do have a land line without long distance and cell phone coverage can be inconsistent in the mountains. Verizon seems to work best.

LAPTOP COMPUTER

We are having wireless internet installed and the ski resorts already have service.

CASH

Guest and other fees need to be paid in cash.

IDENTIFICATION

You do need to be over 21 to attend certain events.

BATHING SUIT

We do have a sauna.

FLIP FLOP SANDALS

These are good for the shower.

SKI AND SPORTS EQUIPMENT

Don't get stuck without gloves, goggles, poles, etc.
